

10 July 1981

MEMORANDUM FOR: Deputy Director of Central Intelligence

25X1 FROM : [REDACTED]
Interdepartmental Affairs Staff, OPP

SUBJECT : SIG Meeting on East-West Policy

25X1 1. As [REDACTED] notes in his memo, State has proposed a number of changes in the sections of the Decision Memorandum and the East-West Study that deal with economic policy and the Siberian pipeline. These topics were discussed by the NSC yesterday, and the DCI circulated a memo (attached) that takes a position fundamentally opposed to the spirit of State's proposed changes. I recommend that you touch base with the DCI on this matter Monday morning. [REDACTED]

25X1

25X1 2. The affected sections are page 4 of the Decision Memorandum, pages 7, 8 and 9 of the Executive Summary, and pages IV-1 through IV-4 and V-3, 6 and 7 of the study. [REDACTED]
